DEPARTMENT OF HIGHWAYS

NOTICE TO CONTRACTORS

Revelstoke-Slocan Electoral District

Bridge Project 672 — Halfway River Bridge, Nakusp-Galena Bay Highway, Contract 2: Fabrication and Erection of Structural Steelwork.

SEALED TENDERS, marked "Tender for Bridge Project 672—Halfway River Bridge, Contract 2," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, British Columbia, up to 2 p.m. (Pacific Daylight Saving time) on Tuesday the 14th day of September 1971, and opened in public at that time and date. Tenders should be delivered to Room 237, Douglas Building, Victoria.

The contract consists of the supply, fabrication, shop-painting, delivery, and erection of 115 tons of structural steelwork.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, British Columbia (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Pro-

vincial Government Plan Viewing Room, Vancouver, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in an amount equal to 5 per cent of the tender price. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

SEALED TENDERS will be received by the District Forester at Kamloops, British Columbia, not later than 11 a.m. on the 3rd day of September 1971, for the purchase of Licence A03184, to cut 202,000 cubic feet of cedar, fir, white pine, spruce, hemlock, and other species of trees located north of Sugar Lake, southwest of the southwest corner of TL 8600P.

Five years will be allowed for removal of timber.

As this area is within the Spallumcheen Public Sustained-yield Unit, which is fully committed, this sale will be awarded under the provisions of section 17 (1a) of the *Forest Act*, which gives the timber sale applicant certain privileges.

TIMBER SALE LICENCE A03606

A PUBLIC AUCTION will be held by the District Forester at Prince Rupert, British Columbia, not later than 10.30 a.m. on the 31st day of August 1971, for the purchase of Licence A03606, to authorize the harvesting of not more than 250,000 cubic feet of timber for a 1-year period.

Cutting permits to be issued under authority of this licence will authorize cutting on an area situated north of Indian Reserve 2A on Skeena River, Range 5, Coast District, within the Skeena Public Sustained-yield Unit in accordance with a development plan to be submitted by the successful tenderer.

A tenderer must be the operator of a sawmill with barking and chipping facilities that is able to utilize logs to a 4-inch top diameter. Each tenderer will be required to submit proof that the timber to be authorized for cutting is required as a supply to keep his sawmill operating.

Anyone who is unable to attend the auction in person may submit a sealed tender, to be opened at the hour of auction and treated as one bid.

Further particulars may be obtained from the Deputy Minister of Forests, Victoria, British Columbia; the District Forester, Prince Rupert, British Columbia; or the Forest Ranger, Terrace, British Columbia. au19—2097
